CONDOLENCES

We regret the passing of Marvin Diener, beloved brother of our member, Hinda Sokolow, and extend sympathy to the family.

Magen David Adom (MDA) - During 2018, our daily minyannaires have made pushka donations to the MDA (Israeli Red Cross) totaling \$997.11. Money raised helps to provide lifesaving equipment and supplies that benefit the people of Israel. MDA ambulances are the first medical responders on the scene, trying to save precious lives, whether it's a rocket attack or a heart attack, 24 hours a day, 365 days a year. In addition, MDA guarantees the blood needs of the entire Israel Defense Forces and each hospital in the nation. The Baltimore Landay Life Chapter is the local representative for MDA. MMAE is proud to have several members of the MDA. Thanks to MMAE for its continuing support of Magen David Adom.

Learning Series with Rabbi Herstic

The Torah in the Twilight Zone

Wednesday evenings at 7:30 pm

January 16

The original Twilight Zone was not only fun, thrilling, and sometimes spine-chilling, but it also raises important questions about society, human psychology, and morality. There are big, important lessons to be learned from this sci-fi show; and there are serious conversations to be had about its themes, stories, and characters.

Indeed, there is Torah in the Twilight Zone.

In this class, we will try to uncover that Torah - those insights, those questions, those lessons - by way of reflection and discussion.
