Patio of Pride

Join us in building a piece of history by sponsoring a brick in our Patio of Pride. Our new patio will be prominently installed to replace the grassy area surrounding the flag pole; visible to all who enter our building.

Be a Part of History

Brick pavers are a unique way for you to make a lasting mark in our community. Engrave your name, your family name, or buy a brick in honor of a special event or person, or in remembrance of someone you love as an honored memorial. Your personal brick will be laser engraved and proudly installed for public display. The patented laser engraving process will ensure that your words will stand the test of time.
